***"I have come that they may have life and have it to the full." John 10:10***

Pupil Premium funding comes directly into school and is based on the number of children registered as eligible for Free School Meals (FSM) at the moment and in the past six years.

## **Principles**

- We ensure that teaching and learning opportunities meet the needs of all of the pupils
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time
- It should be noted that not all children eligible for FSM are low attaining or making poor progress. We consider how to support the learning of some high attaining children in addition to those who had barriers to learning.
