Understanding the world:

Children in Reception will be learning to:

- Explore the natural world around them.
- Describe what they see, hear and feel whilst outside.
- Recognise some environments that are different from the one in which they live.
- Understand the effect of changing seasons on the natural world around them.
- Name and describe some plants and animals children are likely to see, encouraging children to recognise familiar plants and animals whilst outside.
- After close observation, draw pictures of the natural world, including animals and plants.
